COMMITTEE ON
LABOR AND PUBLIC WELFARE
WASHINGTON, D.C. 20510

February 22, 1973

Professor Joshua Lederberg
Department of Genetics
School of Medicine
Stanford, California 94305

Dear Joshua:

In further reference to the potato blight issue, as you will recall, we contacted the Department of Agriculture, the National Institutes of Health and the Food and Drug Administration regarding the matter. We have now received the enclosed reports from USDA and NIH, which I think will interest you.

We are still expecting to hear from the FDA, and will let you know as soon as their response is received.

Sincerely,

GAYLORD NELSON
U. S. Senator
